

In response to customer requests for ongoing improvements to 1Line, Transco provides this summary of items scheduled for release. Requests are researched and evaluated on an ongoing basis, with periodic updates to this listing. Detailed descriptions of the changes are posted on Transco's public EBB concurrent with each 1Line release.

## **What's Coming**

### **NAESB Business Practice Standards Version 3.1**

The latest version (Version 3.1) of business practice standards adopted by the Wholesale Gas Quadrant of the North American Energy Standards Board (NAESB) applicable to natural gas pipelines in place of the currently incorporated version (Version 3.0) will be incorporated into 1Line on August 1, 2019. The revisions made by NAESB in this version of the standards are designed to clarify the processing of certain business transactions.

*Implementation: August 1, 2019*
