

LOCATION IDENTIFICATION FORM

Dear Interconnecting Party,

Effective June 1, 2011, the Federal Energy Regulatory Commission (“FERC”) approved Transcontinental Gas Pipe Line Company, LLC’s (“Transco”) filing addressing allocation procedures for receipt and delivery locations interconnecting with Transco’s system. These provisions are located in Section 18.1 of the General Terms and Conditions of Transco’s FERC Gas Tariff, Volume 1. In order for Transco to determine which location type applies at your interconnect with Transco, Transco requests that you provide the following information. **Please submit a separate form for each nominatable location.** If you have any questions, contact your Commercial Services Representative.

Name of Nominatable Location: _____

Date of Interconnect Agreement: _____

Name of Contact Person at Transco (if any): _____

Point Operator’s Legal Name: _____

Point Operator’s Business Associate Number: _____

Point Operator’s Contact Name & Phone Number: _____

Legal Name of Owner of Facilities Interconnecting with Transco at this Location (if different than Point Operator): _____

Related to an Existing Nominatable Location (name the location);

Meter No. New Nominatable Location _____

(include an attachment if needed)

Estimated First Day of Flow at the Interconnect: _____

LOCATION IDENTIFICATION FORM
