### **Environmental Assessment Issued for Southeastern Trail Expansion Project (Docket No. CP18-186)**

On February 8, 2019, the Commission issued an environmental assessment ("EA") for the Southeastern Trail Expansion Project. The EA assesses the potential environmental effects of the construction and operation of the project in accordance with the requirements of the National Environmental Policy Act. The Commission staff concluded that approval of the project, with appropriate mitigation measures, will not constitute a major federal action significantly affecting the quality of the human environment. Comments on the EA are due on, or before, March 11, 2019.
