Rate Schedule S-2 Tracker Filing (Docket No. RP25-438-000)

On January 31, 2025, Transco filed a revised tariff record in order to track rate changes attributable to storage services purchased from Texas Eastern Transmission, LP under its Rate Schedule X-28, which are included in the rates and charges payable under Transco’s Rate Schedule S-2. The effective date of Transco’s revised tariff record is February 1, 2025.

Notice of Schedule to Prepare Environmental Assessment (Docket No. CP25-10-000)

On January 22, 2025, FERC issued a notice of schedule to prepare an Environmental Assessment (EA) for the Southeast Supply Enhancement project involving the construction, operation and abandonment of natural gas facilities by Transco. Transco would replace certain facilities and expand its existing facilities to provide an additional 1,596,900 dekatherms per day of incremental firm transportation capacity in the southeastern United States. FERC’s schedule for review states that the issuance of the EA is November 7, 2025, and the 90- day federal authorization decision deadline is February 5, 2026. FERC will use this EA in its decision-making process to determine whether the project is in the public convenience and necessity.

Order on Remand Reinstating Certificate and Abandonment Authorization (Docket No. CP21-94-000)

On January 24, 2025, FERC issued an order on remand reinstating the authorizations previously granted for the Regional Energy Access Expansion project. The Order finds that the Regional Energy Access Expansion project is needed, affirm FERC’s decision not to make a significance determination regarding GHG (greenhouse gas) emission, consider Transco’s measures to reduce GHG emissions, and conclude that the benefits outweigh the adverse impacts.

Notice Dismissing Temporary Certificate Application (Docket No. CP21-94-000)

On January 27, 2025, FERC issued a notice determining that the temporary certificate of public convenience and necessity for the project is dismissed. This determination came as a result of the FERC’s issuance of the Order on Remand that reinstated the authorizations previously granted for the Regional Energy Access Expansion project.
