Cash-Out Price Changes (Docket No. RP20-614)

On February 28, 2020, Transco filed revised tariff records with the Commission to change the calculations establishing the prices used for cashing out monthly imbalances remaining at the time of final resolution pursuant to Section 25 of the General Terms and Conditions of Transco’s Tariff. On March 30, 2020, the Commission accepted and suspended Transco’s proposed tariff records to be effective September 1, 2020, subject to refund, and established hearing procedures. A presiding judge, to be designated by the Chief Judge for that purpose, shall, within 15 days of the date of the presiding judge’s designation, convene a prehearing conference for the purpose of establishing a procedural schedule.

Disposition of Cash-Out Costs and Revenues (Docket No. RP20-618)

On February 28, 2020, Transco filed revised tariff records with the Commission to change the procedures used to address over- or under-recoveries resulting from the difference between revenues received and costs incurred by Transco under the cash-out provisions of Transco's Tariff. Specifically, Transco proposes to establish a refund or surcharge rate designed to return to or recover from customers any over- or under-recovery of costs incurred under the cash-out provisions of the Tariff during an annual period. On March 30, 2020, the Commission accepted and suspended Transco's proposed tariff records to be effective September 1, 2020, subject to refund, and established hearing procedures. A presiding judge, to be designated by the Chief Judge for that purpose, shall, within 15 days of the date of the presiding judge's designation, convene a prehearing conference for the purpose of establishing a procedural schedule.
