

Welcome to FERC Watch – a customer service provided by Transco. Questions or comments related to the information contained in the FERC Watch should be directed to Ron Goetze at (713) 215-4631 or Jordan Kirwin at (713) 215-3723.

Transco Technical Working Group

The next TWG meeting is scheduled to be held on September 21, 2021, at 1pm CDT, subject to cancellation due to lack of sub-committee meetings.

General Terms and Conditions Revision (Docket No. RP21-961)

On August 3, 2021, the Commission accepted Transco's July 8, 2021, filing to revise Section 50 of the General Terms and Conditions of its Tariff, which sets forth the procedures for shippers electing to process the liquefiable hydrocarbons contained in the gas they tender to Transco. Rate Schedule ICTS (Interconnect Transfer Service) was added to the list of rate schedules under which shippers may nominate the transportation of PTR replacement quantities. The tariff records became effective on effective August 8, 2021, as requested.

Southern Expansion Capacity Filing (Docket No. RP21-974-000)

On August 10, 2021, the Commission accepted Transco's July 19, 2021, filing to revise Section 2.7 of Rate Schedule FT to expand the service options available under service agreements for Southern Expansion Capacity. Additional Transportation Contract Quantity ("TCQ") combinations were made available and additional capacity was made available for the months of November and March of each year, the shoulder months for Southern Expansion Capacity. The revised tariff provisions became effective on August 19, 2021.

Rate Schedule S-2 Tracker Filing (Docket No. RP21-976-000)

On August 10, 2021, the Commission approved Transco's July 27, 2021, filing to revise its tariff record in order to track rate changes attributable to storage services purchased from Texas Eastern Transmission, LP under its Rate Schedule X-28 which are included in the rates and charges payable under Transco's Rate Schedule S-2. The tariff revisions are effective on August 1, 2021, as requested.

Rate Schedule S-2 Penalty Disbursement (Docket No. RP21-1050-000)

On August 10, 2021, Transco received its portion of the penalty disbursement for storage service purchased under Texas Eastern's Rate Schedule X-28 which is used by Transco to provide service to its customers under its Rate Schedule S-2. Transco refunded the amount received from Texas Eastern, with interest, to its Rate Schedule S-2 customers on August 26, 2021.

Leidy South Project Early In-Service (Docket No. CP19-494-000)

On August 17, 2021, the Commission granted Transco authorization to place certain facilities into service under the Leidy South Project and begin providing partial path firm transportation service of up to 85,000 dt/day on an interim basis beginning as early as September 1, 2021, until the in-service date of the completed Leidy South Project.

Leidy South Project Return to Service (Docket No. CP19-494-000)

On August 26, 2021, Transco filed a request for written authorization from the Director of the Office of Energy Projects to place into service certain facilities at Compressor Station 610 that are being modified as part of the project. Specifically, Transco requests authorization to return to service Units 1 and 2 as early as September 10, 2021, and as early as September 17, 2021, respectively, only for the purposes of assisting with system operation and maintaining system reliability to provide service to customers within existing entitlements, not to begin providing service under the project.

Happytown Abandonment Project – Notice of Scoping Period (Docket No. CP21-134-000)

On August 23, 2021, the Commission issued a Notice of Scoping Period Requesting Comments on Environmental Issues. The Notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies regarding the project. The Commission requests public comments on the scope of issues to address in the environmental document on or before 5:00pm Eastern Time on September 21, 2021.

Cash-out Settlement Compliance Filing (Docket Nos. RP20-614 and RP20-618)

In compliance with the Commission's order issued July 30, 2021, approving the May 26, 2021, Stipulation and Agreement in the above referenced dockets, Transco submitted certain revised tariff records to its FERC Gas Tariff on August 30, 2021.

Annual Charge Adjustment Tracker Filing (Docket Nos. RP21-1078)

On August 31, 2021, Transco filed a revised tariff record to track rate changes resulting from an increase in the Annual Charge Adjustment rate from \$0.0011 to \$0.0012. The effective date of Transco's revised tariff records is October 1, 2020.
