

Welcome to FERC Watch – a customer service provided by Transcontinental Gas Pipe Line Company, LLC (“Transco”). Questions or comments related to the information contained in the FERC Watch should be directed to Whitney Wiener at (281) 222-7439.

### **Limited Section 4 to Eliminate Amortization of Regulatory Liability Filing (Docket No. RP24-826-000)**

On June 5, 2024, Transco filed revised tariff records that eliminated the amount attributable to Transco’s amortization of its regulatory liability related to its funding of Post-Retirement Benefits Other than Pension (PBOP) pursuant to Section B of the Stipulation and Agreement in Docket No. RP18-1126-000. The tariff records are proposed to be effective August 1, 2024.

### **Abandonment of Offshore Laterals and Platforms in Vermillion Blocks 66, 67, 76, and 131 - Notice of Application (Docket No. CP23-200-000)**

On June 13, 2024, Transco submitted a abbreviated 7(b) application for order permitting and approving the abandonment of gathering and transmission facilities located on its Central Louisiana Gathering System in federal waters, offshore Louisiana. In the application, Transco requested an order authorizing the abandonment as soon as possible or no later than August 27, 2024. On June 25, 2024, the FERC issued the Notice of Application (“NOA”) for the Project. In the NOA, FERC established a July 18, 2024 deadline for filing a motion to intervene.

### **Texas to Louisiana Energy Pathway- Order Addressing Arguments on Rehearing (Docket No. CP22-495-000)**

On January 18, 2024, the Commission issued an order granting a certificate to Transco for the construction and operation of the Texas to Louisiana Energy Pathway Project in Fort Bend, Hardin and Victoria Counties, Texas. On February 16, 2024, Sierra Club filed a timely request for rehearing of the Certificate Order. In response to the request for rehearing filed by Sierra Club, FERC modified the Certificate Order and sustained the result that the request for rehearing is denied by operation of law on June 27, 2024.
