### **Woodbridge Delivery Lateral Project (Docket No. CP14-18-000)**

On November 7, 2013, Transco submitted a certificate application, pursuant to Section 7(c) of the Natural Gas Act, to construct and operate the Woodbridge Delivery Lateral Project, a new delivery lateral that will extend 2.4 miles from Transco's mainline in Middlesex County, New Jersey to the Woodbridge Energy Center, an electric generating station currently being developed by CPV Shore, LLC (CPV). The project will provide 264,000 dt/day of firm transportation service to CPV under Transco's Rate Schedule FDLS. The Commission issued notice of the certificate application on November 15, 2013, with comments due December 6, 2013.

### **Virginia Southside Expansion Project (Docket No. CP13-30-000)**

On November 21, 2013, the Commission issued an Order Issuing Certificate for the Virginia Southside Expansion Project (Project). The Project is an expansion of Transco's existing pipeline system that will provide 270,000 dekatherms per day of incremental firm transportation service from Transco's Zone 6 Station 210 Pooling Point in Mercer County, New Jersey to delivery points in Virginia and North Carolina. The Project facilities include the construction and operation of approximately 91 miles of new pipeline facilities along Transco's existing South Virginia Lateral "A", approximately 7 miles of greenfield pipeline facilities, and a new compressor station in Pittsylvania County, Virginia consisting of two 10,915 horsepower (ISO) gas turbine-driven compressors.

### **Hillabee Expansion Project (Docket No. PF14-6-000)**

On November 8, 2013, the Commission approved Transco's request to initiate a pre-fling review of the proposed Hillabee Expansion Project. The Hillabee Expansion Project is an expansion of Transco's existing natural gas transmission system in Alabama that will enable Transco to provide 1,131,730 dt/day of incremental transportation capacity to be constructed in three phases. The capacity created by the Project will be leased to Sabal Trail Transmission, LLC.
